ORDER

Issued: June 6, 2003

; Released: June 10, 2003

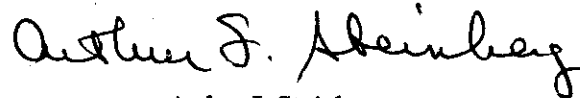

Under consideration is a Motion for Extension of Time to Respond to Admissions Request, filed on May 30, 2003, by NOS Communications, Inc. ("NOS").

NOS requests a 30-day extension of time, to July 11, 2003, within which it may respond to the Enforcement Bureau's Request for Admission of Facts and Genuineness of Documents, filed on May 27, 2003. In its motion, NOS represents that counsel for Affinity Network Inc. and NOSVA Limited Partnership have consented to a grant of the requested extension, but that counsel for the Enforcement Bureau has consented only to a two-week extension of time.

NOS's motion will be granted and the time within which *all* of the parties may file their responses to the admissions request will be extended to July 11, 2003. Suffice it to say, an examination of the admissions request reveals that it will require an extensive amount of work by, and substantial coordination among, the responding parties. Under these circumstances, an additional period of time within which to respond is warranted, and the period requested appears to be reasonable.

Accordingly, IT IS ORDERED that the Motion for Extension of Time to Respond to Admissions Request, filed by NOS on May 30, 2003, IS GRANTED, and the time within which *all* the parties may respond to the Enforcement Bureau's Request for Admission of Facts and Genuineness of Documents IS EXTENDED to and including July 11, 2003.
